### Polish Perfectly

Paint on lacquer in just two strokes — one left, one right — to keep coats thin. If you smudge, “dab a Q-tip dipped in nail polish remover or flub-fixing product over the nick and smooth out,” says Jessica (who’s worked with **Tyra Banks**). Seal with a layer of top coat, “and reapply again the next day to add gloss.”

◀ Quickly fix mistakes with Orly's Smudge Fixer if you don't have remover on hand. (\$9, [amazon.com](http://amazon.com))

— but will they wed?
